- Making Travelling Videos

ABOUT ME

I am an Oracle Certified Java Programmer with extensive experience in developing Java applications as well as Web Development.

>> PROJECTS

Face Recognition Attendance System using Python :
Developed a Face Recognition Attendance System using Python, Pandas, OpenCV, and other libraries to capture real-time attendance in a CSV file and generate reports with login and OTP mail verification. Utilized computer vision techniques to identify individuals and record attendance, making the system efficient and user-friendly.

College Management System using Java :
It is developed using Java Applet, MySQL, Netbeans(IDE) Where students can register, login, view and issue books for different departments.

>> EDUCATION

Master in Computer Application (Currently Pursuing)
Siliguri Institute of Technology (2021 - 2023)
CGPA: 9.86

Bachelor in Computer Application
Kotibarsha Institute of Technology & Management (2018 - 2021)
DGPA: 8.64

Higher Secondary (12th)
Gangarampur High School (2016)
Percentage: 83.8%

Secondary (10th)
Gangarampur High School (2014)
Percentage: 73.5%

>> CERTIFICATION COURSES

- JAVA SE 8 (IZ0-808) OCJA Certification conducted by Oracle(Certificate Code- 19507406OCAJSE8)
- ·NPTEL Online Course in "Problem Solving Through Programming In C" Conducted by IIT Kharagpur(Code- NPTEL22CS101S33280041)
- ·"Python for Beginners" from Simplilearn (Certificate Code - 3166503)
- ·"Java" from Sololearn (Certificate Code- CT-FIKOSQJH)
